Sale to secure safety for Cambodian Families

By Neil Etienne

GRAVENHURST – The Gravenhurst Curling Club will come out of its summer hibernation for the seventh annual giant garage sale July 7 and 8.

Organizer Lisa McCoy, local Rotary club and member of its international committee, has a massive arena full of sale items coming in for the weekend, but could use more.

The event will support rural families in Cambodia. McCoy said proceeds from the sale will be used to purchase urgently needed mosquito nets to protect the families from Malaria and other mosquito-born diseases.

Along with tons of bargains at the garage sale, there will be a silent auction with more prized items along with free coffee, tea and cookies for patrons. On Sunday afternoon, there is also a special fill-your-bag for \$2 event to move out the last of the items.

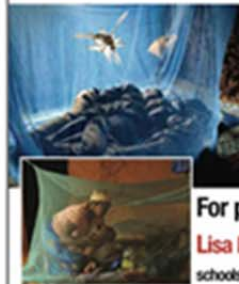

The sale is being held both Saturday, July 7 and Sunday, July 8 from 9 a.m. to 4 p.m. each day at the Gravenhurst Curling Club. McCoy said she could still use a few volunteers to help move and set up items today (July 7).
