

RSIS December Projects

It was an extremely successful project season - one of our best I think! All the teams have had a fabulous time and we are particularly pleased that our first parent/student trip to Thailand, and **the adult training trip in Cambodia** have been particularly successful.

So our partner communities in **Cambodia**, Thailand, Kenya, India and Honduras are all starting 2012 with:

- **Two new schools (Cambodia)** <http://www.youtube.com/watch?v=fkJq9eBu49c&sns=fb>
- One new fully equipped classroom (Kenya)
- One food storage building (Honduras)
- A clean water storage system (Thailand)
- A new classroom and foundations for more school buildings (India)
